22 November 2008

Dear Friends & Supporters,

Greetings from Stockholm, where AIM W. Europe is now in session. Students have converged from Norway, Finland, Switzerland, Denmark, Sweden, and the United Kingdom for four days of teaching. The air is chilly and the ground white with snow, but hearts are warm with Christian camaraderie and hearts burning with the word of God (Jeremiah 20:9, Romans 12:11, Luke 24:32)!

This newsletter has two items I hope you will find of interest. First, the Early Church History DVD series is now ready. Seven stimulating sessions are sure to lead to soul-searching and fresh convictions about biblical Christianity. (And you'll love David Bercot!) Second, AIM is *giving away* tuition and airfare (U.S. only) for any 2009 session! If your name is drawn, we will look forward to seeing you in Atlanta!

All for now. Your prayers for my family and ministry mean a lot to me.

Douglas

Early Church History Series (with David Bercot)

This is a fascinating and inspiring time period, yet most Christians are unaware of how many thousands of pages were written (and survived) from the first three centuries. For most of us, this is a whole new world!

The DVD series, about seven hours in length, was the 2008 Continuing Session. Speakers include Steve Staten, Joey Harris, and myself -- but the guest speaker (you will hear him speak several times) was David Bercot, an expert on the early church. The price for this set is only \$30! Prepare to be challenged, humbled, and inspired! To order, click [here](#).
