Greetings from Atlanta!

This past weekend's seminar on *Gospel Solutions to Prejudice & Separation* was a success, with participants from as far away as Massachusetts and Hawaii. The interview with Fred Gray, Martin Luther King Jr.'s attorney, was also very well received. You can watch it [HERE](#). It's about 8 minutes long.

Seminar messages (8 in all) deal with unity, reconciliation, class distinctions in the fellowship, politics and nationalism, outreach, and much more. All forms of prejudice and separation (not just racial) are addressed. Speakers include Steve Staten, Abdel Aziz Sarah, Ben Barnett, Gordon Ferguson, Douglas Jacoby, and Joey Harris.
