## Welcome From Our RMSMT Director

Welcome and thank you for considering Rocky Mountain School of Ministry and Theology (RMSMT) for the advancement of your understanding of God's word and the development of your ministry skills for our Lord Jesus Christ! We here at RMSMT are dedicated to providing the highest quality programs and graduate-level classes for the glory of God and the advancement of his kingdom here on earth.

On December 4, 2014, RMSMT was authorized by the Colorado Commission on Higher Education to offer Master's Degrees and Master's Degree Credits in the area of religion. This approval and recognition allowed us in the fall of 2015 to begin Master's level programs to equip disciples of Christ for ministry and service whether working full time in Christian ministry or serving Christ in a secular field. Our goal is to better prepare disciples to love God and to help others love God with all their heart, mind, soul, and strength throughout their lives.

As part of the worldwide International Church of Christ (ICOC) fellowship of churches, it is our heart's desire to help equip disciples to serve Jesus not only here in the United States but all over the world. To help accomplish this endeavor, we are providing interactive online classes in the Bible, hermeneutics, theology, apologetics, church history, spiritual formation, pastoral care and counseling, Christian ministry, and now both in English and Spanish. We invite you to be part of this historic venture.

For God's glory,

Glenn W. Giles, Ph.D.  
RMSMT Director

# Introduction to Rocky Mountain School of Ministry and Theology

## History of the School:

The historical roots of RMSMT began when Glenn Giles started *The DCC School of the Bible* in the Denver Church of Christ, Denver, Colorado. Although not called by that name until around 2000, the first non-degree class was held in the Denver Church of Christ office in the Fall of 1991. The school gradually grew to include many different classes and students. *The History and Reliability of the Bible* course became the most popular class. It consisted of an overview of the history in the Bible, principles of interpretation, the reliability of the Bible, archaeology, and the development of the Bible canon. Many students, since the school's inception, have completed that class and have taken a variety of other classes, and been better equipped to serve Christ in many ways.

In July 2009, the school changed its name to *The Rocky Mountain School of Ministry* expanding its scope and vision to help train ministers for Christ. In June 2010, its name was updated to *The Rocky Mountain School of Ministry and Theology* to better reflect our commitment not only to train disciples for full-time Christian ministry but to also train disciples at a greater depth in the doctrine and theology of the Bible whether or not they were involved in full-time Christian ministry. On December 4, 2014, RMSMT was authorized by the Colorado Commission on Higher Education to offer degrees and/or degree credits as a Religious Training Institution in the State of Colorado. This authorization opened the door for RMSMT to offer a Master of Arts in Ministry degree, a Master of Arts in Biblical Studies degree, as well as a Graduate Certificate in Biblical Studies in the Fall of 2015. Since that time RMSMT has developed five more degrees: Master Arts in Biblical Studies with Languages, Master of Arts in Biblical Studies in Spanish, Master of Arts in Christian Counseling, Master of Arts in Spiritual Formation, and Master of Divinity. The school is currently under the direction of Dr. Glenn Giles and the oversight of the elders and staff of the Denver Church of Christ, in Denver, Colorado.

Since our inception, RMSMT has grown to a total of over 170 students registered to take courses for credit and over 70 students auditing our courses. In May of 2019, we celebrated our first graduation of five students. Also, we have had several students successfully transfer into Lincoln Christian University graduate programs which we believe speaks highly to the quality of our course offerings and programs.

## The Purpose of the School:

It is the purpose of *The Rocky Mountain School of Ministry and Theology* to bring glory to God by helping to develop intimate relationships between God, his disciples, and the lost through knowledge and application of his Word.

## **The Mission of the School:**

The mission of *The Rocky Mountain School of Ministry and Theology* is to equip ICOC disciples to take the Gospel of Jesus Christ to the world through evangelism, church growth, and church planting as well as to give those disciples a solid biblical foundation and maturity in their walk with God.

## **The Conviction and Philosophy of Education of the School:**

It is our conviction that biblical knowledge, though essential, is not enough in itself for one to develop a close relationship with God or with others. While biblical knowledge is indeed a necessary part of the road to a relationship, knowledge by itself produces pride which destroys intimacy. True biblical love takes knowledge and uses it to change one's individual life to produce godly intimate relationships with God and others. It is, therefore, the conviction and philosophy of *The Rocky Mountain School of Ministry and Theology* to help students not only gain, but especially to apply, biblical knowledge to their lives and the lives of others in order to develop rich God-glorifying personal relationships with God, other disciples, and the lost.

## **The Vision of the School:**

Our vision is to create classes, seminars, courses of study, and training materials that will enrich, equip, and inspire ICOC disciples throughout the world for works of service and to be able to effectively communicate and transmit Christ to this present generation.

*My son, keep my words  
and store up my commands within you,  
keep my commands and you will live;  
guard my teachings as the apple of your eye,  
bind them on your fingers;  
write them on the tablet of your heart.*

*(Proverbs 7:1-3, NIV)*

## RMSMT Statement of Faith:

### ***GOD: Father, Son, and Holy Spirit***

We believe in and surrender our lives to the one God who made the heavens and earth and who breathed life into humanity. We worship and praise the Father who spoke the world into existence, Jesus, the Son, who died upon the cross to redeem us from sin, and the Holy Spirit who is the seal of our salvation.

1. **Our eternal purpose** is to know God and to glorify him as God, and let our life shine so others will see God. Our devotion and ultimate loyalties are to the Father, who is over all and in all and through all; to Jesus, the Son, who has been declared both Lord and Christ; and to the Holy Spirit, who lives in us and empowers us to overcome the workings of the sinful nature (Acts 2:22-36, Romans 8:12-28).
2. **The cornerstone** of our faith is our belief in Jesus Christ. Everything we hold dear in our faith originates from him, his words, and his way of life (John 3:16, John 12:47-48, 1 John 2:5-6).
3. **The Bible is the inspired and infallible Word of God.** The Word of God is sharp, powerful, effective, challenging, exposing, and encouraging when it is revered, studied, preached, taught, and obeyed because it is from our Creator and therefore relevant for all generations. (1 Timothy 4:13, 2 Timothy 3:16-17, 4:1-5, Hebrews 4:12-13)

### ***THE GOSPEL: the work of God***

The culminating event of the Christian faith occurred between the time of the Passover and Pentecost at the end of the Gospels through early Acts. The death, burial, and resurrection of the perfect Lamb of God are the substance of our faith. Many were eyewitnesses to the risen Jesus as “both Lord and Christ”, and heard the promise that was for everyone.

4. **Our salvation** totally depends on the work of God, prompted by his mercy and grace, not our good deeds. That work redeems those who hear, believe, and obey the Gospel message with total commitment, repentance, and baptism into Christ through their faith in God’s power and continue to remain faithful unto death. (Romans 2:7, Acts 2:22-37, Ephesians 2:8-10, Colossians 2:12, Hebrews 10:32-39, James 1:12).
5. **Our earthly mission** involves every member’s participation in the **Great Commission** to “Seek and save what was lost,” in bringing the good news of Jesus Christ to all parts of the world. As we go about this mission, our testimony must be consistent with a Christ-like life of doing good deeds and supporting other Christians and churches around the world. In imitation of Jesus’ mission, we are

committed to remembering the poor by demonstrating compassion to those who suffer by regularly serving and supporting group benevolent efforts through international agencies such as *HOPE Worldwide* and others. (Matthew 28:19-20, Acts 10:37-38, Colossians 3:1-6, Luke 19:10, Galatians 2:10, James 1:27).

6. **Our *motivation*** to love God, love each other, and love the lost is prompted by God's love for us, demonstrated in its greatest form by the sacrificial death of Jesus Christ on a cross on our behalf (2 Corinthians 5:14-21, 1 John 3:16, Luke 10:27).

***The INDIVIDUAL Response: the surrender of God's children***

As disciples of Jesus, we surrender our lives to his Lordship. We rejoice in our adoption as God's children and each accepts the call to be holy and follow the example of Jesus.

7. **Our *conversion*** begins with belief in Jesus as God's Son, and in his death and resurrection from the dead. Subsequent steps must include unmistakable repentance of sin, embracing discipleship, and confession that "Jesus is Lord." Finally, we become Christians at the miracle of rebirth with our immersion in water for the forgiveness of our sins and the promise that God will give us the gift of the Holy Spirit. (John 20:31, Luke 14:25-33, Acts 2:38-41, Romans 10:9, Titus 3:3-5)
8. **God desires a personal *experiential relationship*** with us and our response is to obey the first and second greatest commandments: to love God with all of our heart, soul, mind, and strength and to love our neighbor as ourselves. This heart-response is the pathway of God knowing or experiencing us in a salvific way. (Mark 12:28-30; Matthew 7:21-23).
9. **Our *personal discipleship*** to Christ begins with our *total commitment* to the Father, who is over all and through all and in all. It involves an understanding of and a commitment to his terms of surrender to his Lordship, a daily decision to deny self and persevere to the very end. (Luke 9:23ff; 14:33, Romans 2:7, Galatians 6:9).
10. **Our *holiness*** in daily living is a command from God. From baptism, we are called to be set apart from the world and the ways of the world (be sanctified) and live as saints of God (Ephesians 1:1, Ephesians 2:1-4, 1 Thessalonians 4:3-8, 1 John 2:15-17). With holiness in mind, the romantic and marriage relationships of Christians are to be pursued with only those who "belong to the Lord" as defined by Scriptures (2 Corinthians 6:14-7:1, 1 Corinthians 7:39).

***THE CHURCH COMMUNITY: sharing in fellowship and strengthening***

Together, we make up the church body and commit our devotion to being members of the family of God—a community that helps its members grow to be like Jesus.

11. **Our *membership*** in each congregation constitutes disciples of Jesus, men and women who have pledged to live their lives as saints of God in the holiness he requires. Our members agree to strive to be devoted, not only to their Maker but to the body life of the church. This includes making wholehearted efforts, for example, to attend each applicable meeting of the body, and pursuing joyful, watchful, challenging, and encouraging “***one another***” ***relationships*** in which we spur one another on toward love and good deeds (Acts 2:42, Romans 12:10, Hebrews 3:12-13; 10:24-25).
  
12. **Our *community worship*** includes our devotion to God’s Word, prayer, fellowship, and the Lord’s Supper as a weekly breaking the bread and drinking the fruit of the vine together. As a community imitating the first-century disciples, we give a willing sacrifice to God as a fragrant offering and a sign of our thankfulness. Since everything we enjoy in life is a gift from God, we agree to cheerfully and sacrificially contribute financially to the church so that the ministry of Jesus will advance throughout our communities and around the world (Acts 2:42-47, 1 Corinthians 10:17-34, 1 Corinthians 9:7-14, Philippians 4:14-19).

## State Recognition and Legal Status:

The *Rocky Mountain School of Ministry and Theology* is authorized by the Colorado Commission on Higher Education under the Degree Authorization Act, C.R.S., 23-2-103.3 (4), to offer degrees and/or degree credits that are religious in nature. The school is owned, controlled, operated, and maintained by and is part of the Denver Church of Christ, Inc., a nonprofit religious institution and operates as a nonprofit religious corporation in the State of Colorado.

## Accreditation Information

The *Rocky Mountain School of Ministry and Theology* (RMSMT) is authorized by the Colorado Commission on Higher Education under the Degree Authorization Act, C.R.S., 23-2-103.3 (4), to offer degrees and/or degree credits that are religious in nature. This authorization was issued on December 4, 2014.

Although we fully understand the purpose of accreditation, we are not at present affiliated (accredited) with any regional or national accrediting agency. Accreditation is not required by the US Department of Education, is a voluntarily undertaken process, and does not necessarily guarantee a quality educational experience. For RMSMT, as well as other good religious institutions, the real determination of a quality religious education involves the credentials, experience, and effectiveness of its faculty, the integrity and academic rigor of its courses and programs, as well as the positive impact it has on its students to be equipped to better know Christ, be known by Him, and make Him known. In our association with Lincoln Christian University (an institution that is regionally accredited by accreditation agencies approved by the US Department of Education) courses at RMSMT are evaluated for equivalency and academic rigor to ensure they meet academic accreditation standards and quality education is being given to our students. In addition, internal assessments are made by students and faculty to assure that high standards of education are being met by our programs. We are fully confident that those students who complete their education at RMSMT will have a very high-quality academic preparation and experience for life-long service to Christ.

As such, we at RMSMT offer high-quality degrees authorized by the State of Colorado. In our relationship with Lincoln Christian University (LCU), we also have created an option for those who wish to have a regionally accredited degree to do so. Many of our courses (in some cases about one-half of the required courses for their degrees) are transferable to LCU into their graduate programs leading to their Master of Arts in Bible and Theology, Master of Divinity, and other master's degrees.

Since some students will choose to pursue a regionally accredited degree while others will pursue our "authorized" degree, we have formulated the following **two-track option** for students who enroll in our school:

**Track 1: Fully Regionally Accredited Masters Degree:** This track would be chosen by students who want a nationally or regionally accredited degree approved by the United States Department of Education. In this scenario, a student would take an LCU approved number of classes at RMSMT that would transfer into one of LCU's master's programs where the student would finish his or her degree (all of it online in some cases). The number of approved and transferable classes would be set by LCU through articulation agreements with RMSMT for different LCU degrees. Students on this track could potentially go on to receive not only Master of Arts in Bible and Theology, Master of Divinity, or other master's degrees, but also could potentially go on to receive a Doctor of Ministry at LCU or elsewhere. They could also potentially transfer from LCU into a Ph.D. program at another school.

**Track 2: Authorized Masters Degree:** This track would be chosen by students who want a bonafide Masters degree from RMSMT which is legally authorized by the State of Colorado but who are not concerned about national or regional accreditation and/or who feel they cannot afford a nationally or regionally accredited degree at this time. Following this track, a student would enter our program at RMSMT and take the same or similar courses with the same requirements and rigor as those in track 1. As such, if a student desired to switch to Track 1, he or she could do so at any time and transfer LCU-articulation-agreement-approved-classes into LCU programs. If the student remains on Track 2, he or she could potentially go on to receive a Doctor of Ministry and/or a Ph.D. degree from other authorized (non-regionally/non-nationally accredited) schools such as Trinity Theological Seminary in Newburgh, Indiana.

**Track 1 Advantages:**

1. The student receives a regionally or nationally accredited degree approved by the United States Department of Education.
2. The student takes up to half of the credits required for an LCU degree at RMSMT at less than half the price of other graduate schools (or much less if the student is from a Developing World country and is approved for our Developing World Scholarship).
3. The student will be able to go on to do further graduate study at an accredited school (i.e., LCU) or non-accredited schools and potentially be able to teach at an accredited or non-accredited university. To teach at an accredited university, one will need to have received an accredited degree from an accredited university.
4. Students who transfer into LCU's Master of Arts in Bible and Theology program can potentially take some further courses with ICOC professors who are employed by LCU in that program.

***Track 2 Advantages:***

1. The student receives a bonafide legal master's degree from RMSMT. We are committed to offering courses with the same master's level academic rigor for both tracks in line with the academic standards that one would encounter at an accredited institution like LCU. As such, our authorized degree will require the same academic rigor as those who decide to follow Track 1.
2. The cost of the authorized degree will be approximately less than half of most accredited graduate degrees offered at regionally or nationally accredited schools in the US for Developed World students. This is projected to cost much less for students in Developing World countries.
3. The student may be able to go on to do further graduate study at non-accredited schools and possibly even at accredited schools and potentially teach in a non-accredited school.
4. Students will be able to take most, if not all, of their course work with ICOC Professors.

2. The prospective student must be a member of the ICOC and in good standing with his/her home ICOC church.
3. The prospective student must be able to communicate satisfactorily (i.e., be proficient) in English for our English courses and Spanish for our Spanish courses.

### B. Admissions Process

1. The prospective student must fill out an application for admission and submit it to the Director of RMSMT. This form can be requested by email at [glenn@rmsmt.org](mailto:glenn@rmsmt.org) or found at the RMSMT website at [www.rmsmt.org](http://www.rmsmt.org).
2. The prospective student must have their official transcripts from the school in which they received their Bachelor's Degree sent to the Director of RMSMT as indicated on the application form.

### C. Enrollment Policy

1. RMSMT admits ICOC students of any race, color, and national or ethnic origin.
2. All applicants need to support RMSMT's purpose, mission, and statement of beliefs and wish to receive instruction from a biblical worldview perspective.

# **Policies and Procedures**

## **Academic and Personal Discipleship Integrity**

It is the policy of RMSMT that its students and faculty exhibit a high standard of honesty and integrity and a commitment to the Lordship of Jesus Christ. Students are expected to be committed to a living standard depicted in the Bible both academically and relationally, inside and outside of school. Incidents of lack of integrity, including such things as plagiarism, cheating, treating others with lack of respect will be taken seriously and offenders held accountable up to and including probation, suspension, and/or removal from their academic program and RMSMT. All infractions should be reported to the Director of RMSMT.

## **Attendance Policy**

Students are expected to attend every class session. If a student misses the equivalent of one class session, he/she must work with the instructor to determine what is needed to make up what was missed. If the student does not make up the work in a satisfactory manner, the student's final grade will be lowered one letter grade at the end of the course. If the student misses the equivalent of two class sessions, the student's final grade will be lowered one letter grade provided that he/she makes up work for both class sessions. If that makeup work is not completed, then the final grade will be lowered by two letter grades. If the student misses the equivalent of three class sessions, he/she will be given an F for his/her final grade and not be allowed to finish the course.

## **Student 30-Day Extension Policy**

At times students have legitimate extenuating circumstances for not completing their assignments on time. If this occurs and the student is doing well in class up to that point, the student can contact the professor of the class and/or the Director of RMSMT and ask for a 30-day extension beyond the end of class to complete the work in the class. In this case, the instructor is allowed, at the instructor's discretion, to reduce the student's grade for work done during the extension. If the student has not completed all the required assignments by the end of the 30-day extension, at the instructor's discretion, the student's grade can be figured on the amount of work the student did complete for the class. The request for a 30-day extension must be made by the student at least 1 week before the final class session.

## **Active Student Determination Policy**

Beginning January 1, 2018, an RMSMT student is considered to have "active enrollment status" after beginning his or her first course with RMSMT and thereafter so long as the student continues to take courses without a 6 consecutive semester (2-year) absence from taking any course. Once a 6 consecutive semester absence from taking any RMSMT course occurs, that student shall be considered "inactive" and will not be counted as a current student. Also, any student with this "inactive enrollment status" will need to reapply for admission to continue his or her program at RMSMT by contacting the Director of RMSMT. Courses already taken will be allowed toward the new admission.

## **Student Discipline or Dismissal**

Students may be disciplined or dismissed from class or the school for academic or non-academic integrity issues such as failing to follow the Attendance Policy (see above), plagiarism, lying, and other actions in violation of biblical standards. If shown to violate integrity standards, the student may be placed on probation, suspension, or even dismissed from RMSMT depending on the seriousness of the violation at the discretion of the Director of RMSMT. Also, the student must maintain a grade point average (GPA) of 2.5 on a 4 point scale. If after completing two classes the student's GPA falls below 2.5, the student will be placed on probation and allowed to take two more classes. If at that point the student is making good progress in raising his/her GPA, the student will be allowed to take two more classes. If at that point his/her GPA is still under 2.5, the student will be suspended for one semester. After the one-semester suspension, the student will then be allowed to take two more classes. If after those two classes are completed the student's GPA is still under 2.5, he or she will be dismissed from the program and RMSMT.

## RMSMT Grading Scale

<u>Grade</u>		<u>Percentage</u>	<u>Grade Points Applied</u>
A	Excellent	94–100	4.00
A-		90–93	3.67
B+		87–89	3.33
B	Good	83–86	3.00
B-		80–82	2.67
C+		77–79	2.33
C	Average	73–76	2.00
C-		70–72	1.67
D+		67–69	1.33
D	Passing	63–66	1.00
D-		60–62	0.67
F	Failing	0–59	0.00
WP	Withdraw Passing		
WF	Withdraw Failing		
P	Pass		
NP	No Pass		

A student who receives an F for any course will be allowed to retake the course at one of its next offerings if they wish. In that event, if the student receives a grade higher than an F, that new grade will replace the F assigned for the earlier course and the student's GPA will be recalculated using the new grade.

## Graduation Requirements and Honors

At the beginning of the student's final semester at least three months before graduation, the student must contact the Director of RMSMT and indicate his/her intent to graduate from his/her program. The student is to submit his/her completed Graduation Worksheet appropriate to his/her degree program. The Director will review the student's progress and approve or disapprove the graduation request. To graduate, a student will need to have met the following requirements:

1. Students graduating with an MA in Biblical Studies in English or Spanish, Christian Ministry, Christian Counseling, or Spiritual Formation must have completed 36 semester hours of course work including the appropriate core courses. Those students graduating with an MA in Biblical Studies with Languages must have completed 48 semester hours of course work including the appropriate core courses. Those students graduating with a Master of Divinity degree must have completed 75 semester hours of course work including the appropriate core courses. Those graduating with a Graduate Certificate in Biblical Studies must

have completed that program's core courses as well as one more course in the biblical studies area as noted in the program description. Those students graduating with a Certificate in Christian Counseling must have completed and passed the 8 courses required for this Certificate. Those students graduating with a Certificate in Spiritual Formation must have completed and passed the 6 courses required for this Certificate. Those students graduating with the MTP Certificate in Christian Ministry must have completed the 12 MTP courses in this certificate program.

2. Degree graduating students must have a final GPA of 2.5 or higher on the 4.0 scale,
3. All graduating students must have demonstrated a growing discipleship character and be recommended for graduation by RMSMT faculty,
4. All graduating students must have resolved all their financial commitments to RMSMT before being approved to receive their degree or certificate.

Master's degree students graduating with a GPA of 3.5 and above will graduate with honors: A GPA of 3.50-3.69 will be designated "cum laude," 3.70-3.89 "magna cum laude," and 3.90-4.00 "summa cum laude."

## **Transfer of Credit**

RMSMT will allow a transfer of credit into the RMSMT MA programs of a maximum of two-thirds of the total credits needed to graduate from that program from an approved school and program. This will only be done on a case-by-case basis when equivalency of material and rigor of class standards can be demonstrated. No transfer of credits will be allowed into the Graduate Certificate program.

Acceptance of RMSMT credits by other schools into their specific programs is subject to those schools' discretion. RMSMT is working with Lincoln Christian University in Lincoln, Illinois, to secure pre-approval of courses that can be transferred into their graduate programs. This will assure that a certain number of classes will be able to be transferred into their programs for credit and degree completion should the student choose to do so. RMSMT has also been assured by Trinity College and Theological Seminary, Newburg, Indiana, that our credits will be transferable into their programs.

## **Appeals**

Any student who wishes to appeal a decision or action taken by an RMSMT staff member is encouraged to discuss the issue first with a faculty member (class professor). Then if the student considers the outcome unsatisfactory, he/she should contact the Director of RMSMT concerning the issue. In the instance that the issue is still not resolved, the student may file a complaint with the Colorado Department of Higher Education at <https://cdhe.colorado.gov/filing-student-complaint> or at:

Colorado Department of Higher Education  
1560 Broadway, Suite 1600  
Denver, CO 80202  
(303) 866-2723

## **Non-Discrimination Policy**

Rocky Mountain School of Ministry and Theology admits ICOC students of any race, color, sex, nationality, and/or ethnic origin to all the rights, privileges, programs, and activities generally made available to students at the school. It does not discriminate based on race, color, age, physical disabilities, or national and ethnic origin in the administration of its educational policies.
